

\$1,000 WHATEVER LOAN!

NO CREDIT QUALIFICATIONS

BOPTI FCU is offering a loan for **WHATEVER** you want. This is our alternative to a payday loan. This loan is not cheap, and it's not suitable for everyone – but it is better than paying the ridiculous fees and rates payday loan centers charge.

Here's how it works: The loan is for \$1,000 with a repayment term of 12 months, an interest rate of 18% APR* and a \$25 application fee. No credit checks or debt ratio calculations – just apply, and you will receive the \$1,000 loan, with an approximate bi-weekly payment of \$42.51.**

Just fill out the short application on the reverse side, indicate how you want to pay the \$25 application fee and then mail, fax or email the application **along with a recent pay stub to the credit union.**

*APR=Annual Percentage Rate

**Must be a member of BOPTI Federal Credit Union and in good standing. Credit union reserves the right to deny access to this offer to anyone who has caused a loss to BOPTI FCU. Cannot be refinanced. Any existing Whatever Loan balance must be paid prior to taking out a new Whatever Loan.

Here's how it works: Simply complete the mini-application and return it to the credit union. We'll quickly process your loan and send you a check for \$1,000.** It's that easy.
